

KING & SPALDING

2nd International ADR Conference 2019

THAILAND
ADR WEEK 2019
1st Time in Bangkok

Dr. Andreas Respondek

Managing Director, Respondek & Fan

Andreas started his legal career in the US with two (winning) precedents from the Louisiana Supreme Court in his own name in 1983. He is an American Attorney at Law, a German "Rechtsanwalt" as well as a Chartered Arbitrator (FCIArb). After heading the Legal Department of an MNC in Europe, he moved to Asia in 1994 to establish the Asia Pacific Legal Department of a leading international Healthcare Company. Thereafter he led multinational companies in Asia as Managing Director (Thailand; Greater China) and Regional Managing Director Asia Pacific. He established RESPONDEK & FAN in 1998 in Singapore and its counterpart in Bangkok in 2000. Living and working since more than 20 years in Asia, Andreas focusses on International Arbitration (www.rf-arbitration.com). He is on the panel of many renowned arbitration institutions, is regularly appointed as Arbitrator and Party Representative in international institutional and ad-hoc proceedings and has conducted proceedings under the ICC, HKIAC, SIAC, SWISS, TAI rules. Andreas is the editor / co-author of the ASIA ARBITRATION GUIDE (currently the standard reference book with the widest geographical Asian coverage on International Arbitration in Asia) and numerous other legal publications.

Andreas brings to parties international, multi-jurisdictional experience, backed up by fluency in five languages, combined with proven case management skills and experience.

Fully conversant with the world's two most important legal systems (common law and continental civil law), and thanks to his distinctive cross-cultural competence, Andreas is in a unique position of being able to optimize the international arbitration experience of parties in international arbitration. Having worked on both sides of the fence (in management and legal departments), he has an in-depth familiarity with the problems corporations nowadays are faced with and the expectations that parties have in terms of efficiency in international arbitration.
