About this event

Event lasts 1 hour 30 minutes

Under the (mandatory) Thai Foreign Business Act, foreign investors are usually limited to a 49 % ownership stake in a Thai legal entity. Even though some investors try to circumvent this legal requirement by using nominees, this is illegal. In our breakfast seminar we will show 5 legal ways how to circumvent the onerous restrictions of the Thai Foreign Business Act in a legal way and achieve 100 % foreign ownership. After attending this seminar, you will know:

- What possibilities exist to secure 100 % foreign ownership in Thailand
- What are the pros and cons of each option
- What steps have to be taken for each alternative and what are the timelines involved
- How to convert an illegal corporate structure with nominees into a fully legal structure

Who should attend?

- CEOs, Managing Directors, Heads of Business Development, Heads of Sales, Legal Counsel

Date: 24th October 2024
